

## APPLICATIONS :

PP- RAFFIA /BIG BAG

HDPE -PP RIGID MATERIAL

PP- BATTERY

LDPE - LUMPS RIGID MATERIAL

100 kg to 1500 kg per hour

## FEATURES

- **Multi-material Capability:** Able to shred various types of plastics (PP,PET, PVC, HDPE,PP RAFFIA etc.) efficiently.
- **Four Edge knife Technology**
- **Durable Blades and Cutting Mechanisms**
- **Safety Features**
- **High Throughput and Energy Efficiency**
- **Automatic Feeding Facility**
